

Registrars End of Season Meeting
May 15, 2018

Attendance: Carrie Doehne Jill Burr Trieste Madden Brook Grandle
 Erin Brunelle Lori Hauswald

Called to order 6:31pm by Trieste Madden.

-MINUTES from March 1st approved unanimously.

-Spring Registration: Play down request that was denied by the registrar committee brought up a lot of issues. Trieste has been working on new documents to make this process more clear and easier for everyone. We are waiting on CYSA to approve the forms.

-Emails, deadlines, finding coaches and complaints from parents have not been an issue

-Online Registration is June 1-July 15th.

-Last games are on June 9th. Longview Soccer Club will be holding a walk-in on the 9th to try to register kids for fall while they are already down here and on the fields.

-New Birth Year Charts were distributed by Carrie for Fall.

-Registration forms in Blue Star. Trieste has created a "CYSA Fall 2018" form so every club can be using the same forms.

-Folders for Fall season: Deadline to have folders ready to go will be May 28th.

-Castle Rock has many new board members. Trieste recommended Castle Rock send a representative to the CYSA meeting on May 21st to request access to Blue Star for their new members.

-July 19th at 6:30pm is the tentative team building meeting. Carrie will check into if the clubhouse is available this date.

-Player Cards for Fall: Trieste is very excited to have a working printer in the clubhouse with a laptop that is currently linked up and printing. Registrars will be able to meet at the clubhouse to print player cards.

-We will continue holding off on Blue Sombrero due to the website issues. Blue Star also has not been charging us since they changed hands. Since we are all familiar with Blue Star, they have great support and we are not being charged, we will hold off on any changes at this time.

Meeting adjourned at 7:20pm
