Morgan – Vancouver League. Attending today July 17, 2017 Will clarify as to if CYSA will play in Vancouver and they travel to CYSA fields. Morgan will report back via email outcome of meeting.

Tara – Ref pay with Arbiter. Pay was delayed because of confusion with rules and an outstanding \$35 fee that never should have been assessed. The fee has been removed and ref pay released. Understanding the frustration of the refs & parents we anticipate next season to go smoother.

Don – still in need of a coach liaison

Cathy – discussed Bonzi flat fee and charging clubs a \$2 per player fee following end of season. Will be reviewing flat fee with Bonzi after fall season starts coinciding with provided numbers to State for fall player insurance.

Jill & Trieste – Fall numbers are down. Having issues with requests & returning players

No further business meeting adjourned 7:00
