President's Report:

Update of Safe Sport—coaches must complete before receiving roster in fall. An administrator must verify that coaches have completed and then clear that coach through Stack Sports. This will increase the workload of administrators.

CYSA recommends clubs begin having a Coach Administrator—this would be a club level position who would assist coaches with getting their various certifications completed and who could help verify and clear coaches

Concern over the number of things a coach must complete before they're allowed to coach. It will discourage people from stepping up to coach.

Trieste announced that she will be applying for a new board position with United Way. If she is awarded this position, she may need to scale back her soccer involvement. She hopes to continue serving on the CYSA board. Since taking the presidency, she has

attempted to give up her position as Head Registrar, but has yet to find anyone to replace her in that position.

Vice President's Report:

There will be a 3v3 tournament in Kelso on 6/22 & 6/23. This will be the Edgar Vazquez Memorial Tournament. Proceeds from this tournament will go toward scholarships in Kelso Soccer Club and for a scholarship to a Kelso High soccer player.

Longview will be hosting a soccer camp from 7/15 to 7/18. Gary Bennett is leading this.

Coaches Liaison Committee

Coaches manual is finished and Gary is reviewing. A few more sections may be added to the manual—still in need of Referee Perspective and a few more outside links for resources.

Committee is hoping to begin coach mentoring in the fall.

U6 & U7 coaches have been on the fields a bit too much. This will be addressed at the coaches meeting in the fall. The intent of allowing U6 & U7 coaches on the field is for quick instruction, not to stay on the field for long stretches of time.

The fees have been set for fall. They are:

U6-U8 \$65

U9-U11 \$75

U12 & up \$85

There are also early bird and sibling discounts. Families are not eligible for both discounts. Castle Rock has modified their fees a bit from CYSA to fit their needs. Kalama hasn't responded regarding fees.

Ops committee recommended that U10 age bracket be allowed to be reffed by microrefs.

They have the same rules and field size as U9.

Motion to allow U10 division to be reffed by microrefs made by Don.

Seconded by Cathy.

Motion passed.

Don will be running for Kelso School Board this fall. If he wins, he will need to cut back on CYSA commitments, but would still like to serve on the CYSA board.

Financial Report:

Renewal for Arbitor was paid for the year. This was \$674.

Referees need to be paid for first half of season. Jacob has been trying to get ahold of Tara, but she has not responded.

Registrars' Report:

Early bird registration is currently open. Longview, Kelso, and Castle Rock/Toutle are open. Kalama hasn't opened registration as of yet.

Old Business

None.

New Business

Geoff Perkins presented new Timberbarons contract (Copy is attached at end of minutes). CYSA board makes following recommendations to contract: First bullet point to reflect that the Timberbaron players are making a commitment to play 2 seasons in the OYSA league. Last bullet point can be deleted.

Continued discussion regarding Timberbarons playing rec soccer after their contract with Timberbarons is completed. Lorna to put out email asking for input/pros/cons to allowing TB play in rec to allow for further discussion. Discussion will be tabled until input received.

Meeting adjourned at 7:18.

CYSA Timber Baron Select Soccer Club Parent/Player Contract

Welcome to all new players and parents and welcome back to all returning players and parents. We hope this 2019-20 season is our best yet. Both the CYSA/Timber Barons committee and your Timber Barons coach are committed to encouraging and teaching your player the skills of soccer and sportsmanship. To ensure our success, we are requesting your commitment within the following areas:

- ~~Two season commitment~~ ^{by} ~~the Timber Barons squad that you have been invited to play with; you are guaranteed two seasons of play.~~
- The prompt payment of fees for Timber Barons soccer, as well as team fees, costs associated with uniforms, gear or tournaments.
- A commitment to the time necessary for practices and games as set by your Timber Barons coach.
- An understanding that the time of play for each player is determined by your Timber Barons coach.
- Sportsmanship. At CYSA and within the Timber Barons club, we strive to coach sportsmanship to all the players within our system. We expect the same from the families involved with the Timber Barons. Behavior counts on and off the field. Decorum from parents and families is required at games as well as practices. Your Timber Barons coach may address this in more detail.
- At any time during the season the coach may release your child. If you feel this is improper, please contact the Timber Barons Committee.
- Any fundraising is done for the team and stays with the team. If you should leave, quit, be released by the coach, any monies raised will stay with the team.
- ~~THIS AND ABOVE WILL BE RELEASED FROM THEIR CONTRACT AFTER COMPLETING TWO SEASONS OF PLAY WITH THE TIMBER BARONS.~~

When we all work together towards a common goal, great things can be accomplished. Here's to another great season of Timber Barons soccer.
