Trieste Madden, Registration

Carrie Doehne resigned as registrar but is staying on as co-chair.

Trieste reported that WSYSA approved the play down request.

Registrars having post season meeting on May 15.

Tara Hargrave, Kalama

Things are going well.

Gary Bennett, Longview

Committee created for prioritizing facility maintenance and another for fundraising and to investigate player recruiting and retention.

Had a coaches clinic on a Sunday. The younger coaches felt the rules were a little vague and would like some brief training before the season starts. Discussed that it would be good to have a mandatory training session for incoming coaches.

Concern about the Timber Barons playing the winter season on LSC fields. The fields didn't fair well and need rest.

Erin VanCamp, Castle Rock

Talked about doing a small clinic in July but has decided against it for time constraints.

Don Sharer, Committee Chair

A coach complained about confusion with the buildout lines for micro fields. Gary will speak to Jim Maggs to clear up any confusion with micro refs.

Don would like to put together a coach's manual with standard drills and what high school is looking for. The goal should be moving rec players into Timber Barons then to high school and ultimately to college.

Meeting adjourned at 7:02
