Jak Massey, Member Coordinator

Spoke about board members "wearing one hat at a time". Be sure to refer issues to each appropriate board member i.e. Coach Liaison deal with coach issues.

Jim Maggs, Vice President

No current issues to report.

Trieste Madden, Registration

343 players registered to date. Registration ends Friday but she will open late registration until March 5th.

Discussed strategies about how to handle the BU12 bracket. Several play up requests, potentially not enough players to fill all the coach's rosters that have registered.

Would like to add something to the flyer to include a way for interested U15 to communicate with registrars for potential teams.

Matt Peters, Micro-ref Coordinator

Micro ref training schedule for March 25 1:00-5:00. Written rules will be presented, then a test, then some time on the field.

Gary Bennett, Field Maintenance, CYSA Ops Representative

Field 6 is ready, it has been used. Field 3 will need to be set up due to the volume of TB games. Field 7 will be set up this week as well.

Will wait to order nets until closer to field set up to see what might be needed.

Fields will be lined for the work party and need touched up.

Poles are being delivered Friday at 9:00.

Stairs are done, just need a little touch up. He's going to get a mat for the bottom of the stairs to brush off grass and mud.

The field paint isn't working well so he's communicating with the supplier and manufacturer to solve it.

Will present a date for coaches training session in March.

Ops report: Numbers are down across the board. Riverside is working with the county to apply for grants.

Jenn Jolly, Equipment Manager

Preparing for the coaches meeting.

Old Business

Donation/Exchange - something will be communicated at the coaches meeting that if anyone is in need of cleats, to reach out to Jak or Gary. Someone will be present to run an exchange the morning of the work party.

Discussed the Timber/Thorns ticket sales fundraiser. **Cathy made a motion to purchase the base package for \$500, Matt seconded, all in favor, motion passed.**

By-Laws - need to review to prepare for further discussion.

New Business

Trieste requests a computer that would be compatible with the LSC printer. Jeff will check to see if the one he has is compatible.

Jim would like to do a 3v3 tournament again at the end of the season, June 9th. It was fun and a good fundraiser. Jeff is agreeable but needs the commitment of more help.

Discussed having a booth the Go Fourth festival again. **Jak made a motion to spend \$150 on the booth, Jenn seconded, all in favor, motion passed.** Jeff will be down there for the day.

Will firm up dates for the Challenger Camp via email over the next week.

Jenn made a motion to adjourn at 8:10.
