

# CYSA Timber Baron Select Soccer Club Parent/Player Contract

Welcome to all new players and parents and welcome back to all returning players and parents. We hope this 2020-21 season is our best yet. Both the CYSA/Timber Barons committee and your Timber Barons coach are committed to encouraging and teaching your player the skills of soccer and sportsmanship. To ensure our success, we are requesting your commitment within the following areas:

- A two season commitment to the Timber Barons squad that you have been invited to play with. You are guaranteed two seasons of play.
- The prompt payment of fees for Timber Barons soccer, as well as team fees, costs associated with uniforms, gear or tournaments.
- A commitment to the time necessary for practices and games as set by your Timber Barons coach.
- An understanding that the time of play for each player is determined by your Timber Barons coach.
- Sportsmanship. At CYSA and within the Timber Barons club, we strive to coach sportsmanship to all the players within our system. We expect the same from the families involved with the Timber Barons. Behavior counts on and off the field. Decorum from parents and families is required at games as well as practices. Your Timber Barons coach may address this in more detail.
- At any time during the season the coach may release your child. If you feel this is improper, please contact the Timber Barons Committee.
- Any fundraising is done for the team and stays with the team. If you should leave, quit, be released by the coach, any monies raised will stay with the team.
- U13 and above will be released from their contract after completing two seasons of play with the Timber Barons.

When we all work together towards a common goal, great things can be accomplished. Here's to another great season of Timber Barons soccer.
