-MINUTES from Nov 7<sup>th</sup>, 2017 approved unanimously.

-Scope of Authority for New Scholarship policy is being worked on and will be presented to the Board of Directors once it is finished.

-Blue Sombrero on hold right now due to the webpage situation. The way it is set up, each club would need to have their own webmaster. CYSA is looking for an intern to take this over.

-Ops would really like to have a representative from each club to attend the Ops meetings. Meetings are the first Wednesday of every month 6pm at the Longview Clubhouse.

-Reminders:

- Always list head coach and assistant coach on team folder
- Double check ages of players registered
- Double check gender of players registered
- Double check League Code (Spring Rec)
- Double check all for "CC", concussion compliance BEFORE official roster is created

-RMAs: Coach Liaisons should be handling these. Trieste is available to help if there are any issues or problems.

-Team Building:

-Transfers discussed and need to be completed by March 4<sup>th</sup>.

-Transfer teams to CYSA folders by March 6<sup>th</sup> at midnight.

-Official Rosters can be printed at the clubhouse on March 7<sup>th</sup> after the Ops meeting. Or, may be printed on your own.

-Medical Waivers are printed by coaches on Bonzi. Coaches meetings are set up. Kelso 5/13, Longview 5/15. Kalama does not do coaches meetings. Coaches come to Brandi's house to pick up rosters.

-Reminder to "Reply All" on emails.

-Contact Carrie or Trieste if having any problems with the deadlines.

-Registration forms are not consistent. Most things are not a big deal. Discussions on using the same sign up questions and waivers so there is consistency. Trieste will revise and create one universal form so we are all using the same registration form. Will specify if player is requesting the same coach from last season, versus new requests.

-Confirmed Brandi will continue as the Vancouver liaison for teams playing in Vancouver.

-Tara wants clarification on releasing of lists of players already registered. Unanimous decision that for the purpose of building a team, we can let a coach know who his returning players are that have already registered. This is for the sole purpose of him calling other previous players to increase roster size. This should not be sent in the form of an actual roster. A picture or an excel spreadsheet are acceptable means of communicating this information. Coaches are not allowed to pick and choose players for his/her team.

Meeting adjourned at 8:15pm
